Please circle the picture and description that best describes your building.

<p>1-Novice</p> <p>Getting started No or little understanding</p>		<p>My building does not have a solid shape or footprint. The drawing is not printable.</p>
<p>2-Apprentice</p> <p>Almost Student has some understanding</p>		<p>My building has a solid shape and footprint, but lacks details such as doors and windows.</p>
<p>3-Practitioner</p> <p>Got it! Strong understanding Meets the standard</p>		<p>My building does have a solid shape and footprint. It also has windows and doors on at least one side.</p>
<p>4-Expert</p> <p>Wow, awesome! Exceptional understanding Exceeds the standard</p>		<p>My building does have a solid shape and footprint. It also has many details on at least three sides. I spent time improving on my original design.</p>
